PRESENTS:

# COACHING & COCKTAILS

## LIFE ORGANIZING PARTIES

With a new take on 'home parties', let us introduce you to our Coaching & Cocktails: Life Organizing Parties. These fun, relaxed and educational sessions are centered around a specific topic shared with a host/hostess's tribe. Cracker Trail Customs will share our favorite tips, tricks & life hacks while giving guests applicable strategies in a "home party" type setting. But unlike traditional home parties where guests leave with trinkets or products, our guests leave with relevant, helpful tools and a make-and-take that can be used promptly to better organize and improve the quality of their day-to-day lives.
